

## Estimator / Project Manager Job Description

**Davis Iron Works is a large metal fabricator with an AISC Certification. We have a reputation for our quality and excellent customer service. Therefore, we are looking for employees who can follow through with providing excellent customer service connected to their area of expertise.**

**The following benefits are offered to full-time employees hired by Davis Iron Works: Health Insurance, Life Insurance, LTD Insurance, 401k, Paid Vacation, and Paid Holidays.**

### **ESTIMATOR:**

- 2 years of experience or more in reading architectural and structural steel blueprints.
- Will need to take the steel off these drawings and prepare an estimate using our steel software package.
- Will need to have an idea about how long it would take to fabricate specific steel items and to be able to give a time-line for when various parts of a job can be delivered.
- Would need to develop a good working relationship with contractors and vendors, including steel detailing companies and steel erectors.
- Non-Smoking Premises
